I would like to receive it in person. (In case of deliveries by proxy, a notarized warrant or a certificate of authorization is required.)	<input type="checkbox"/>

6. EXPLANATIONS

This application form has been prepared to determine your relationship with our Company and to give the most appropriate response to your request by determining your data processed by our Company completely and accurately. Since unauthorized obtaining of personal data belonging to others may constitute a crime, our Company reserves the right to request additional information and documents (identity card, etc.) from you for identification purposes to ensure personal data security. The information provided within the form must be accurate and up-to-date, and our Company accepts no liability for errors that may result from false and / or incomplete information or unauthorized application.

Your data in the form is processed by partly automated means to evaluate your requests and applications within the scope of the related Law and to contact you when necessary, based on the cause of action "it is expressly permitted in any Law" set out in the Article 5 of the Personal Data Protection Law No: 6698.

It is recommended to write "Request of the Data Subject under the Personal Data Protection Law" in the notification form of the application or in the subject of the e-mail in which the request is included.

7. DECLARATION OF THE APPLICANT

In line with the above demands from İPM Endüstriyel Madencilik A.Ş., I would like to be informed about my application to be considered under the Personal Data Protection Law No. 6698.
